**1. Enquire whether anyone present intends to film, photograph and/or record the meeting.**  
None.

**2. To receive apologies.**  
Apologies were received from Cllrs Steadman, Howell and Rutherford.

**3. Declarations of Interests on items on the agenda.**  
None.

**4. Public forum (15 mins).**  
None.

**5. To consider licence and planning applications received and make recommendations:**  
**WD/2021/3001/F – Rowden Oast**

The Parish Council raises no objections on the basis that this is a necessary structure to accommodate machinery, etc., particularly where theft of such items appears to be on the rise.

**WD/2021/3022/F – 1 Little Bayham Cottages**

The Parish Council raises no objections on the basis that the proposed timber building would be sunk down, shielded to an extent by woodland and would not be intrusive.

**WD/2021/2777/F – Plot 2, Adjacent to Hargate House**

The Parish Council raises no objections on the basis that this appears to be a simple resubmission of an earlier application for procedural reasons.

**WD/2021/2952/F – Stubby Grove Farm**

The Parish Council raises no objections. The Council supports local businesses as they expand provided there is no negative impact. In this case, there is already an operation here and while the Council considers it a shame that the existing buildings cannot be re-used for the purpose, it is of the view that the proposed expansion would not have a detrimental impact in this location.

It was agreed to continue to represent the Council's view about the developing Local Plan to Wealden District Council and to contribute at every opportunity to ensure the Parish's voice is heard. It was noted that Wealden was awaiting a response from Sec. of State Michael Gove and this would provide more clarity on housing numbers.

**8. Further matters at the discretion of the Chairman, for discussion purposes only**

Cllr Park raised an issue brought to her by a resident of Benhall Mill Road, involving conflicting and inaccurate correspondence from ES Highways about responsibility for maintaining verges and hedges. The Clerk suggested that the matter be forwarded to Cllr Standley.

There being no other business, the meeting ended at 7.50pm.
